[Cadastre]

LAYER NAME:	Cadastre (multiple layers)
ABSTRACT :	Porirua City Parcel boundaries, Addresses, Rail Segments, Road Segments, Hydro segments, Road Centrelines
SOURCE DATE:	~12 th of every month
SUPPLIER:	Jacobs (sourced from LINZ CRS), PH 04 914 6827
CAPTURE METHOD:	Surveyed boundaries and digitised road centrelines
POSITIONAL ACCURACY:	Boundaries generally <=2m rural (but could be up to +/- 40m), generally <=0.5m urban (but can be up to +/- 2.5m)
CUSTODIAN/CONTACT:	GIS Team, Ph 04 2375089 Ext 8473
OWNERSHIP:	Porirua City Council, Corporate Services
LICENSE:	Crown Copyright Reserved
ACCURACY STATEMENT:	Standard Disclaimer. Optionally can add accuracy information
DATA SUPPLYING:	Can supply Parcels data etc. to 3rd Party if LINZ copyright is acknowledged.
USAGE:	Note separate layers for road, rail, hydro and parcel to make up Geographic area
UPDATE FREQUENCY:	Monthly maintenance.
COMMENTS:	<i>LandOnline</i> contains surveying accuracy data used from source. Parcel layer is combined with property and rating data. NOTE: Excludes easements due to incompleteness.
COMPLETENESS:	100%
KEYWORDS:	<i>Appellation, Property, Road, Segments, Reserves, Address, Parcel, Legal Description, Gazette Notice, Legality, Purpose</i>

[2010 Rural Aerials]

LAYER NAME:	Aerial_2010_2500
ABSTRACT :	Colour Aerial Photos of Porirua Rural District using bp31, bp32_ & bq31 series tiles. This is Porirua subset, but data supply coverage includes whole of Wellington region.
SOURCE DATE:	Flown Feb 2010
SUPPLIER:	NZAM Ltd. Dave Froggatt, PH 06 8737564
CAPTURE METHOD:	Flown @1:2500 using Vexcel colour digital camera, Pixel Resolution: 0.4m
POSITIONAL ACCURACY:	Generally +/- 3.0 m but worse in hilly areas
CUSTODIAN/CONTACT:	GIS Team
OWNERSHIP:	Porirua City Council, Corporate Services
LICENSE:	Porirua City Council Copyright

ACCURACY STATEMENT:	Standard Disclaimer. Optional can add accuracy information
DATA SUPPLYING:	Can supply to 3rd Party if copyright is acknowledged.
USAGE:	Can zoom 1 to 1500 maximum or minimum zoom out of 1 to 10,000 (Zoom 0.2m to 2.0km)
UPDATE FREQUENCY:	As requested, within urban/rural 3-5 yr maintenance programme
COMMENTS:	Part of Wellington Regional sharing initiative. Aerials can be supplied to contractors at no or minimal cost through Koordinates website.
COMPLETENESS:	100%
KEYWORDS:	<i>Aerials, Photos, Orthophotography, Contours, Raster, Imagery</i>

[\[back top\]](#)

[20012 Urban Aerials]

LAYER NAME:	Photos_500_2012
ABSTRACT :	Colour Aerial Photos of Porirua urban areas using bp31, bp32_ & bq31 series tiles.
SOURCE DATE:	Flown Dec 13 2012
SUPPLIER:	NZAM Ltd. Dave Froggatt, PH 06 8737564
CAPTURE METHOD:	Flown @1:500 using Vexcel colour digital camera, Pixel Resolution: 0.01m
POSITIONAL ACCURACY:	Generally +/- 0.25 m but worse in hilly areas
CUSTODIAN/CONTACT:	GIS Team
OWNERSHIP:	PCC Corporate Services, Porirua City Council
LICENSE:	Porirua City Council Copyright
ACCURACY STATEMENT:	Standard Disclaimer. Optional can add accuracy information
DATA SUPPLYING:	Can supply to 3rd Party if copyright is acknowledged.
USAGE:	Can zoom 1 to 300 maximum or minimum zoom out of 1 to 7,000 (0.5 km)
UPDATE FREQUENCY:	As requested, within urban/rural 3-5 yr maintenance programme
COMMENTS:	Aerials can be supplied to contractors at no or minimal cost. DTM available, in DXF format. Contours derived from orthorectification
COMPLETENESS:	100%
KEYWORDS:	<i>Aerials, Photos, Orthophotography, Contours, Raster, Imagery</i>

[\[back top\]](#)

[Contours 1m]

LAYER NAME:	Contours_1m_all_thinned
ABSTRACT :	1m contour Lines for Porirua Urban areas showing elevation.
SOURCE DATE:	23 Dec 2012
SUPPLIER:	NZAM International Ltd.
CAPTURE METHOD:	Photogrammetry with ground control
POSITIONAL ACCURACY:	Generally +/-0.8m horizontal and +/-0.75m vertical
CUSTODIAN/CONTACT:	NZAM Ltd. Dave Froggatt, PH 06 8737564
OWNERSHIP:	Porirua City Council, Corporate Services
LICENSE:	None.
ACCURACY STATEMENT:	Use Standard Disclaimer.
USAGE:	No restraint on usage or supply
UPDATE FREQUENCY:	As requested, contact GIS Team
COMPLETENESS:	100%

COMMENTS:	Originally captured in NZMG with MSL elevation. Coverage doesn't always account for recent earthworks in major subdivisions. First capture June 2005, last updated Dec 2012. Refer to AMO technical services for more.
KEYWORDS:	<i>Contours, Elevation, Slope, Relief, Topography, DTM</i>

[\[back top\]](#)

[Contours 5m]

LAYER NAME:	Contours_5m
ABSTRACT :	5m contour Lines for Porirua Rural areas showing elevation
SOURCE DATE:	26 July 2005
SUPPLIER:	Terralink International Ltd PH 0508 483 772
CAPTURE METHOD:	Photogrammetry with ground control
POSITIONAL ACCURACY:	Generally +/-3m horizontal and +/-2.5m vertical
CUSTODIAN/CONTACT:	GIS Team
OWNERSHIP:	Porirua City Council, Corporate Services
LICENSE:	None.
ACCURACY STATEMENT:	Standard Disclaimer
USAGE:	No restraint on usage or supply
UPDATE FREQUENCY:	As requested, contact GIS Team
COMPLETENESS:	99%
COMMENTS:	Captured in NZMG with MSL elevation. Coverage doesn't always account for recent earthworks in major subdivisions. Last updated Dec 2012. Refer to AMO technical services for more.
KEYWORDS:	<i>Contours, Elevation, Slope, Relief, Topography, DTM</i>

[\[back top\]](#)

[Services]

LAYER NAME:	Water, Sewer, and Stormwater (multiple)
ABSTRACT :	Porirua City Councils Utilities Infrastructure - water_mains, water_meter, water_manhole, water_nodes, water_valve, water_pump_station, water_reservior, water_laterals, water_tobies, sewer_main, sewer_manhole, sewer_valve, sewer_node, sewer_laterals, storm_main, storm_manhole, storm_laterals, storm_node, storm_inlet
SOURCE DATE:	16/05/97
SUPPLIER:	Porirua City Council
CAPTURE METHOD:	Digitized or Georeferenced into CAD then GIS and attributes entered into Hansen.
POSITIONAL ACCURACY:	Generally less 10m from actual position. (This is being improved)
CUSTODIAN/CONTACT:	AMS Team Wellington Water Ltd, Ph 04 910 3800
OWNERSHIP:	Porirua City Council, Asset Management Team
LICENSE:	Porirua City Council Copyright
ACCURACY STATEMENT:	Add Disclaimer, "Services: Check onsite to find actual field position".
USAGE:	Do not supply to 3rd Party without expressed permission
UPDATE FREQUENCY:	Continual/Nightly
COMPLETENESS:	Service manhole levels incomplete but being updated.

	Stormwater open channels layer incomplete.
COMMENTS:	These layers are indicative of location only. Accuracy currently being updated using GPS. Height levels added over time.
KEYWORDS:	<i>Services, Water, Stormwater, Sewer, Infrastructure, Toby, Lateral, Mains, Manhole, Hydrant, Valve, Pump, Inlet, Reservoir, Pipes, Assets</i>

[\[back top\]](#)

[Contaminated Sites]

LAYER NAME:	Potentially_Contaminated_Sites
ABSTRACT :	Regional properties that have been recorded as having suspected contaminated substances related to a past or current land use activity
SOURCE DATE:	18/09/08
SUPPLIER:	Greater Wellington Regional Council (GWRC) contact slur@gw.govt.nz
CAPTURE METHOD:	Surveyed Boundaries digitized
POSITIONAL ACCURACY:	Positional +/-2m rural, +/-0.5m urban but actual site location on property unknown (refer site description)
CUSTODIAN/CONTACT:	Environmental Standards Team, Ph 04 2375089 Ext 8440
OWNERSHIP:	Greater Wellington Regional Council
LICENSE:	GWRC Copyright
ACCURACY STATEMENT:	Standard Disclaimer.
USAGE:	Do not supply to 3rd Party without expressed permission.
UPDATE FREQUENCY:	Live site but generally monthly.
COMPLETENESS:	Unknown (but Actual recorded register 100% complete).
COMMENTS:	Location of sites derived from information provided by GWRC Slur Website. Regional councils functions are - "the investigation of land for the purposes of identifying and monitoring contaminated land" District and city councils – "the prevention or mitigation of any adverse effects of the development, subdivision, or use of contaminated land."
KEYWORDS:	<i>Contamination, Potentially Contaminated, Land use, Pollution, Soil, Hazards, SLUR</i>

[\[back top\]](#)

[Subdivision]

LAYER NAME:	Subdivision
ABSTRACT :	Porirua City boundaries indicating where currently lodged subdivision applications are located
SOURCE DATE:	2001
SUPPLIER:	Porirua City Council
CAPTURE METHOD:	Digitised from scanned survey plans
POSITIONAL ACCURACY:	Generally <=2m from actual survey
CUSTODIAN/CONTACT:	GIS Team, Ph 04 2375089 Ext 8473
OWNERSHIP:	Porirua City Council, Resource Consents Team
LICENSE:	Porirua City Council Copyright
ACCURACY STATEMENT:	Standard Disclaimer.
USAGE:	Do not supply to 3rd Party without expressed permission.

UPDATE FREQUENCY:	As needed, usually monthly
COMPLETENESS:	~98%+
COMMENTS:	New subdivisions are captured by the GIS after plans have been lodged with the Resource Consents Team at 223 approval stage. Once deposited they become live within GIS property & Proclaim Rating and layer is removed at end of process.
KEYWORDS:	<i>Property, Subdivision, Appellation, Consent, Land Use</i>

[\[back](#)

[top\]](#)

[District Plan Layers /Existing]

LAYER NAME:	(Multiple): All zones – Aotea_Mixed_Use_Policy_Area, Business_Park_Zone, Central_Ridge, City_Centre_Activity_Zone, City_Centre_Zone, Commercial, Commercial_Recreation_Policy_Area, Designation, Ecosite, Flood_Hazard, Height_Area, Heritage, Industrial_Zone, Judgeford_Hills_Zone, Open Space, Landscape_Frontage, Landscape_Protect, Medium_Density_Residential, Notice_of_Requirement, Okowai_Lagoon_Ltd, Pedestrian_Area, Permitted_Activity_Levy, Rail_Designation, Rural_Zone, Seismic_Hazards, Suburban_Zone, Recreation_zone, Whitby_Land_Prot_Area.
ABSTRACT :	District Plan Zones from 1999 District Plan & Review within Porirua City
SOURCE DATE:	11/05/99
SUPPLIER:	Porirua City Council
CAPTURE METHOD:	Digitized and selected in GIS
POSITIONAL ACCURACY:	Generally +/-2m rural, +/-0.5m urban
CUSTODIAN/CONTACT:	GIS Team
OWNERSHIP:	Porirua City Council, Strategy and Planning Team, Ph 04 2375089 Ext
LICENSE:	Porirua City Council Copyright
ACCURACY STATEMENT:	Standard Disclaimer.
USAGE:	Do not supply data to 3rd Party without expressed permission.
UPDATE FREQUENCY:	As needed, for the purposes of the District Plan Review (6-10 yearly rolling review)
COMPLETENESS:	100%
COMMENTS:	Refer the Porirua City District Plan Rules for more information. Note boundary shifts have occurred since capture (due to move towards NZ Datum 2000 which is dynamic, being seismically adjusted for plate tectonics)
KEYWORDS:	<i>District Plan, Planning, Zone, Zoning, Activity, Protection, Industrial, Commercial, Residential, Policy, Designation, Building Height, Hazard, Open Space, Landscape</i>

[\[back top\]](#)

LAYER/S NAME:	Property & Rating
---------------	-------------------

ABSTRACT :	Property Information from Proclaim Property Database and joined to LINZ parcels to show boundaries and rating information for Porirua City.
SOURCE DATE:	Daily (The previous day).
SUPPLIER:	Porirua City Council
CAPTURE METHOD:	Scripts pull rating information into tables & joins with parcel layer every night.
POSITIONAL ACCURACY:	Boundaries generally <=2m rural (but can be up to +/- 40m), generally <=0.5m urban (but can be up to +/- 2.5m) Attribute information is generally correct
CUSTODIAN/CONTACT:	GIS Team, Ph 04 2375089 Ext 8473
OWNERSHIP:	PCC GIS Team
LICENSE:	PCC Copyright
ACCURACY STATEMENT:	Standard Disclaimer. Optionally can add accuracy information for boundaries
USAGE:	DO NOT supply data to 3rd party without expressed permission.
UPDATE FREQUENCY:	Nightly. There may be lag with subdivisions until they become deposited.
COMPLETENESS:	100%
COMMENTS:	Proclaim property layer is derived from Proclaim and combined with our parcel boundaries each night. Subdivisions are entered into the system at 223 stage and QVNZ info entered adhoc on a regular interval; generally updates have up to 3 weeks lag before being live. NOTE: Owner names will not be shown publically
KEYWORDS:	<i>Proclaim, Property, Rating, Land, Valuation, Parcel, Address, Property & Rating</i>

[\[back top\]](#)

[Topo50]

LAYER NAME:	Topographic 50 Map Series
ABSTRACT :	Map series covering North Island in NZTM projection
SOURCE DATE:	Sept 2009
SUPPLIER:	LINZ
CAPTURE METHOD:	Digital conversion, cartography and stereoscopy
POSITIONAL ACCURACY:	Captured at 1:50,000
CUSTODIAN/CONTACT:	(04) 460 0110
OWNERSHIP:	LINZ
LICENSE:	None.
ACCURACY STATEMENT:	Indicative only
USAGE:	No restraint on usage or supply. Acknowledge source.
UPDATE FREQUENCY:	5 year republish
COMPLETENESS:	100% at publication date
COMMENTS:	To get Topo50 grid coordinates, check that your GPS supports the NZTM2000 projection. However, for all practical purposes WGS84 datum is the same as NZGD2000. This means coordinates from your GPS receiver will be compatible with those shown on Topo50 maps. (See below link for doing conversions) http://www.linz.govt.nz/geodetic/conversion-coordinates/online-conversion-service/converter/index.aspx?advanced=0

KEYWORDS:	<i>Topo, Topographical, Topography, GPS, Map Series, Raster, Contour, Relief</i>
-----------	--

[\[back top\]](#)

[Suburbs]

LAYER NAME:	Porirua City Suburbs
ABSTRACT :	These zones indicate <i>official</i> suburb boundaries within Porirua City.
SOURCE DATE:	11/11/09
SUPPLIER:	Porirua City Council
CAPTURE METHOD:	Digitized, snapped to parcel boundaries.
POSITIONAL ACCURACY:	Boundaries generally <=2m rural (but can be up to +/- 40m), generally <=0.5m urban (but can be up to +/- 2.5m)
CUSTODIAN/CONTACT:	GIS Team, Ph 04 2375089 ext 8473
OWNERSHIP:	Porirua City Council, Corporate Services
LICENSE:	None
ACCURACY STATEMENT:	Standard Disclaimer, optionally can add accuracy information.
USAGE:	No constraint on supply or use
UPDATE FREQUENCY:	None
COMPLETENESS:	100%
COMMENTS:	These boundaries have gone through public consultation and were signed-off by the New Zealand Geographic Board as Official Placenames.
KEYWORDS:	<i>Suburb, Place, Locality, Census</i>

[\[back top\]](#)

[Whenua Tapu Cemetery]

LAYER NAME:	Whenua_Plots, Cemetery Sections
ABSTRACT :	Polygons indicating locations of plots in the Whenua Tapu Cemetery
SOURCE DATE:	17/11/08
SUPPLIER:	Porirua City Council
CAPTURE METHOD:	Digitized in CAD and translated into GIS and attributes added
POSITIONAL ACCURACY:	Generally +/- 0.5m spatially Attribute information is generally correct but there are many errors in Assure.
CUSTODIAN/CONTACT:	GIS Team
OWNERSHIP:	Porirua City Council AMO - Works Management & Administration
LICENSE:	Porirua City Council Copyright
ACCURACY STATEMENT:	Check onsite with Sexton to find actual field position
USAGE:	Do not supply to 3 rd party without expressed permission.
UPDATE FREQUENCY:	As required
COMPLETENESS:	~96%
COMMENTS:	Some plots may be incorrectly labelled or absent, hence actual location of plots needs to be verified. Always check in Assure database, or with staff.
KEYWORDS:	Cemetery, Whenua Tapu, Plot, Burial, Urupa, Assets, Assure

[\[back top\]](#)

[QEII Covenants]

LAYER NAME:	QEII Covenants
ABSTRACT :	Layer indicating open spaces that are covered by a legally binding protection agreement
SOURCE DATE:	21/12/05
SUPPLIER:	QEII National Trust
CAPTURE METHOD:	Digital capture from Survey Plans
POSITIONAL ACCURACY:	Currently 95.8 % of the polygons (entire country) are within +/-10% of the registered area.
CUSTODIAN/CONTACT:	GIS Team, Ph 04 2375089
OWNERSHIP:	QEII National Trust
LICENSE:	QEII National Trust Copyright
ACCURACY STATEMENT:	The QEII National Trust does not accept liability for any errors or omissions in the data.
USAGE:	No restraint on usage or supply. However the signatory may not use the data that will amount to a monetary gain.
UPDATE FREQUENCY:	Quarterly
COMPLETENESS:	99.7% (as at Dec 09)
COMMENTS:	<p>Quality code currently used to categorise accuracy of polygons until verification is complete:</p> <p>0 – cannot calculate QualCode because no AREASURVHA.</p> <p>1 – polygon geometric area within +/- 10% of registered survey area (highest quality)</p> <p>2 - polygon geometric area between +/- 10 – 50 % of registered survey area</p> <p>3 - polygon geometric area between greater than +/- 50 % of registered survey area (worst quality).</p> <p>Status of the covenant: “Registered” or “Formalised”</p> <p>QEII provides the information on open space covenants to Councils for internal use in Strategic planning, Biodiversity & Fire protection purposes. As this information includes personal details about individuals and their private property, the information shall not be publicised in any identifiable way without the consent of the landowner.</p> <p>Formalised covenants are either Landscape Protection Agreements or Properties owned by QEII with registered titles see www.openspace.org.nz</p>
KEYWORDS:	<i>QEII, QE2, Covenant, Ecology, Protection, Gazette, Reserve, Vegetation</i>

[\[back top\]](#)

[Streetlights]

LAYER NAME:	PCC Streetlights & NZTA Streetlights
ABSTRACT :	Location of streetlights owned/maintained by PCC and NZTA
SOURCE DATE:	17/1/07
SUPPLIER:	Porirua City Council
CAPTURE METHOD:	Captured into RAMM using GPS
POSITIONAL ACCURACY:	+/- 10m at best
CUSTODIAN/CONTACT:	GIS Team, Ph 04 2375089
OWNERSHIP:	Porirua City Council Asset Management & Operations – Roading, Ph 2375089
LICENSE:	Porirua City Council Copyright, NZTA Copyright
ACCURACY	Add accuracy information

STATEMENT:	
USAGE:	Do not supply to 3 rd party without expressed permission
UPDATE FREQUENCY:	As needed
COMPLETENESS:	100%
COMMENTS:	Contains attributes useful for field staff and lodging customer service requests
KEYWORDS:	Streetlights, Lights, Assets, RAMM, Roding, NZTA

[\[back top\]](#)

[Wind Zones]

LAYER NAME:	Wind zones
ABSTRACT :	Wind zones for building rules within Porirua City.
SOURCE DATE:	July 2005
SUPPLIER:	Terralink Ltd
CAPTURE METHOD:	This data was converted into a digital format by Terralink Ltd based on consultant model. Where the Wind Zone lines coincided with the property the original DCDB boundary was used.
POSITIONAL ACCURACY:	Unknown. Indicative in the absence of engineers report.
CUSTODIAN/CONTACT:	ERS Manager Building Compliance
OWNERSHIP:	Porirua City Council
LICENSE:	Porirua City Council Copyright
ACCURACY STATEMENT:	Add accuracy information NOTE: Extremely high category absent.
USAGE:	Do not supply to 3 rd party without expressed permission
UPDATE FREQUENCY:	As required
COMMENTS:	The wind zone in which a structure is located determines consent structural requirements (New Zealand Building Code - NZBC B1 - Structure) and weather tight requirements (NZBC E2 - External Moisture). This layer relates to NZS3604:1990 Section 2.6 and hence uses AS/NZS 1170.2 wind loads/speed categories
COMPLETENESS:	Incomplete coverage area.
KEYWORDS:	NZS3604:1990, Building, Wind, Zoning, Windzones

[\[back top\]](#)

[Corrosion Zones]

LAYER NAME:	Corrosion Zone
ABSTRACT :	Porirua City Corrosion Zones for building assessment using NZS3604 standard
SOURCE DATE:	March 2009
SUPPLIER:	GIS Team
CAPTURE METHOD:	Buffered hydro segment
POSITIONAL ACCURACY:	+/- 1m
CUSTODIAN/CONTACT:	Building Team
OWNERSHIP:	Porirua City Council
LICENSE:	Porirua City Council Copyright
ACCURACY STATEMENT:	Standard Disclaimer.
USAGE:	The corrosion zone in which a structure is located determines consent structural requirements (New Zealand Building Code -

	NZBC B1 - Structure) and weather tight requirements (NZBC E2 - External Moisture)
UPDATE FREQUENCY:	Not maintained unless there are significant tidal changes
COMMENTS:	The sea spray zone is 500m from mean high water mark. The zone after is zone 1.
COMPLETENESS:	100%
KEYWORDS:	<i>Corrosion, Sea Spray, NZS3604, Building</i>

[\[back top\]](#)

[Bus Stops]

LAYER NAME:	Bus stops
ABSTRACT :	Bus stops for Porirua public transport network
SOURCE DATE:	Nov 2006
SUPPLIER:	PCC
CAPTURE METHOD:	GPS coordinates entered into GIS
POSITIONAL ACCURACY:	+/- 10m
CUSTODIAN/CONTACT:	Structural Engineer, Porirua City Council
OWNERSHIP:	Porirua City Council
LICENSE:	None.
ACCURACY STATEMENT:	Standard Disclaimer.
USAGE:	Indicative only, see Metlink.
UPDATE FREQUENCY:	As required. This hasn't been altered since 2006.
COMMENTS:	This DATA IS OUT OF DATE. Taken from the roading Traffic Schedule G 2006.
COMPLETENESS:	Unknown, very old data
KEYWORDS:	<i>Bus stop, Services, Transport, Assets, Structure, Amenities</i>

[\[back top\]](#)

[Halls]

LAYER NAME:	Halls
ABSTRACT :	Council Halls for Porirua public
SOURCE DATE:	Nov 2006
SUPPLIER:	PCC
CAPTURE METHOD:	Address points taken from Hansen & digitized in GIS
POSITIONAL ACCURACY:	+/- 5m
CUSTODIAN/CONTACT:	Building Manager, Asset Management & Operations
OWNERSHIP:	Porirua City Council
LICENSE:	Porirua City Council Copyright
ACCURACY STATEMENT:	Standard Disclaimer.
USAGE:	No restraint on usage or supply
UPDATE FREQUENCY:	As required
COMMENTS:	This may be out of date.
COMPLETENESS:	Unknown. Last checked 2010.
KEYWORDS:	<i>Building, Services, Assets, Halls, Structure, Amenities</i>

[\[back top\]](#)

[Litter Bins]

LAYER NAME:	Litter_bins
-------------	-------------

ABSTRACT :	Litter bin location and type for Porirua City
SOURCE DATE:	Nov 2008
SUPPLIER:	PCC
CAPTURE METHOD:	Description taken from Hansen & GPS coordinates entered into GIS
POSITIONAL ACCURACY:	+/- 10m
CUSTODIAN/CONTACT:	Parks & Reserves Manager, Porirua City Council
OWNERSHIP:	Porirua City Council
LICENSE:	Porirua City Council Copyright
ACCURACY STATEMENT:	Standard Disclaimer.
USAGE:	No restraint on usage or supply
UPDATE FREQUENCY:	Annually
COMMENTS:	Description points taken from Hansen
COMPLETENESS:	100%
KEYWORDS:	<i>Solid Waste, Litter, Rubbish, Assets, Parks, Bins, Amenties</i>

[\[back top\]](#)

[Public Toilets]

LAYER NAME:	Public_toilets
ABSTRACT :	Toilet location within Porirua City
SOURCE DATE:	Sep 2006
SUPPLIER:	PCC
CAPTURE METHOD:	Description taken from Hansen & Digitized into GIS
POSITIONAL ACCURACY:	+/- 10m
CUSTODIAN/CONTACT:	Parks & Reserves Manager
OWNERSHIP:	Porirua City Council
LICENSE:	Porirua City Council Copyright
ACCURACY STATEMENT:	Standard Disclaimer.
USAGE:	No restraint on usage or supply.

[Sports Grounds]

LAYER NAME:	Sports_grounds
ABSTRACT :	Council maintained sports fields
SOURCE DATE:	Feb 2008
SUPPLIER:	PCC
CAPTURE METHOD:	Digitized into GIS
POSITIONAL ACCURACY:	+/- 2m
CUSTODIAN/CONTACT:	Parks & Reserves Manager
OWNERSHIP:	Porirua City Council
LICENSE:	Porirua City Council Copyright
ACCURACY STATEMENT:	Standard Disclaimer. Add accuracy information
USAGE:	None
UPDATE FREQUENCY:	As required
COMMENTS:	Displays all year round field markings. NOTE: Website has status of ground opening .
COMPLETENESS:	100%
KEYWORDS:	<i>Sports, Grounds, Fields, Leisure, Parks, Recreation, Amenities</i>

[\[back top\]](#)

[Rivers]

LAYER NAME:	Rivers
ABSTRACT :	River centrelines for the Porirua City Catchment area
SOURCE DATE:	May 2007
SUPPLIER:	Greater Wellington regional Council

CAPTURE METHOD:	Derived from NZMS260 using 5m DEM and runoff directions calculation
POSITIONAL ACCURACY:	Unknown
CUSTODIAN/CONTACT:	GIS Team
OWNERSHIP:	Greater Wellington Regional Council
LICENSE:	GWRC Copyright
ACCURACY STATEMENT:	Standard Disclaimer.
USAGE:	None
UPDATE FREQUENCY:	As required
COMMENTS:	Not positionally very accurate & some streams may be ephermeral
COMPLETENESS:	100%
KEYWORDS:	<i>Rivers, Streams, Catchment, Watershed, Topographic</i>

[\[back top\]](#)

[Reserves]

LAYER NAME:	Reserves, also called <i>publically owned land</i>
ABSTRACT :	These are gazetted as public reserves and include, PCC, DOC and WCC etc owned reserves, with public access. However road reserves, utilities, educational reserves etc. are ignored.
SOURCE DATE:	Oct 2005
SUPPLIER:	PCC
CAPTURE METHOD:	Copied from LINZ cadastre and maintained in house
POSITIONAL ACCURACY:	+/- 2m
CUSTODIAN/CONTACT:	Porirua City Council, Leisure Assets and Services Planner
OWNERSHIP:	Porirua City Council
LICENSE:	Porirua City Council Copyright
ACCURACY STATEMENT:	Standard Disclaimer. Add accuracy information
USAGE:	Do not supply to 3rd party without expressed permission
UPDATE FREQUENCY:	As required
COMMENTS:	These reserves are public land and excludes many other categories of parcel and road reserves
COMPLETENESS:	100%
KEYWORDS:	<i>Reserves, Recreation, Public Land, DOC, PCC, WCC, Amenities</i>

[\[back top\]](#)

[Boatsheds]

LAYER NAME:	Boatsheds
ABSTRACT :	Boatshed locations in Porirua
SOURCE DATE:	21/04/05
SUPPLIER:	Porirua City Council
CAPTURE METHOD:	Digitized
POSITIONAL ACCURACY:	+/-10m
CUSTODIAN/CONTACT:	GIS Team
OWNERSHIP:	PCC AMO
LICENSE:	PCC Copyright
ACCURACY	Standard Disclaimer.

STATEMENT:	
USAGE:	No restraint on usage or supply.
UPDATE FREQUENCY:	As required
COMPLETENESS:	100%
COMMENTS:	These are recorded in Proclaim as structures, not permanent dwellings. About 3 owners have name suppression.
KEYWORDS:	<i>Boat, Boatshed, Structure, Dwelling, Compliance, Licensing</i>

[\[back top\]](#)

[Garden]

LAYER NAME:	Garden
ABSTRACT :	Council maintained garden areas
SOURCE DATE:	Feb 2008
SUPPLIER:	PCC
